

Name _____ Date _____

Carbon & Nitrogen Cycles Homework - Mini Poster

- Create a mini poster of EITHER the carbon cycle OR the Nitrogen cycle. (You will get extra credit if you do both)
- Include the following:
 - A poster title that says which cycle you are showing
 - Draw/write out all steps in the cycle
 - Explain what happens in each step (by giving a brief description)
- Get creative! Use your own organisms and examples to explain/illustrate your cycle
