

Eukaryotes vs. Prokaryotes

1. Describe at least 10 **similarities between prokaryotes and eukaryotes** in the box. (Hint: The Cell Theory describes ALL cells.)
2. Describe at least 5 features, characteristics, or examples of **eukaryotes only**.
3. Describe at least 5 features, characteristics, or examples of **prokaryotes only**.
4. Add to your list during the class discussion.

Both **prokaryotes** and **eukaryotes**...

Eukaryotes only...

Prokaryotes only...

Draw a prokaryote

Draw a Eukaryote
