

Background and Key Terms

- Species _____
- Population _____
- Common ancestor _____
- Gene Pool _____
- Divergent evolution _____
- Speciation _____

Big Question 1: _____

Stations 1 - 3: Factors Controlling Evolutionary Rate

Station	Factor	Increased by...	Why does natural selection require this?	What happens if this factor is not present?
1				
2				
3				

Stations 4 - 5: Evolutionary Models

Station	Evolutionary model	Description	Supported by...	Diagram
4				
5				

Big Question 2: _____

Stations 6 - 7: Speciation

Station	Process Name	Step 1	Step 2	Step 3
6				
7
