

Natural Selection Foldable

1. Fold paper in half along its length (hot dog style). On the back, write "Natural Selection Foldable" and your name.
2. Cut the front into 5 flaps of equal length. Write each of the following terms on a separate flap:
 - I. Variation of traits
 - II. Overproduction & competition
 - III. Survival of the fittest
 - IV. Heredity
 - V. Adaptation
3. Draw a picture or symbol on the front of each flap that represents or demonstrates that term.
4. Under each flap, explain each term. Include the following information:
 - Cause
 - Effect
 - Example

Natural Selection Foldable

5. Fold paper in half along its length (hot dog style). On the back, write "Natural Selection Foldable" and your name.
