TANK TO TABLE

An Aquaponic Adventure

June 17 - 28, 2019
9:00 am - 4:00 pm

Tank To Table is a two week intensive aquaponics course for students in grades 10 - 12. Explore the biology, chemistry, and engineering used in the aquaponics industry while discovering the fundamentals of farming fish and shellfish. Learn from local industry professionals through guest speakers and field trips. By the end of the course students will build their own aquaponics system, prep and cook oysters, and so much more!
